Built In 1993

As you enter the upstairs living area of this newly remodeled Lodge Style home your attention is drawn to the beautiful wood floors and the massive floor to ceiling rock fireplace. The oversized couch is the perfect place to relax with family and friends and enjoy a warm fire. The remodeled kitchen with top of the line stainless steel appliances is a chef's dream. There are 4 bedrooms and 3 1/2 bathrooms. There are 2 master suites each with a king bed. One of the masters is upstairs and the other is downstairs. There are also 2 other bedrooms downstairs one with a king and the other with 2 log framed pyramid bunks which have a double on the bottom bunk and a single on the top bunk. All of the furniture is new and there are flat screen TV's in every bedroom. The attention to detail does not go unnoticed as you make your way through the house. The upstairs deck is huge and perfect for sunbathing and relaxing or having a family meal on a hot summer's evening. The hot tub is downstairs with access through the laundry room. This home is also Air Conditioned, Wireless and has Mavericks access.
